MEMORANDUM FOR: Director, NPIC

ATTENTION :  TCO/NPIC

SUBJECT : Special Clearances

REFERENCE : OXC-3332 dated 11 April 1962

1. In reference it was suggested we consider a special briefing for those personnel in NPIC who require certain information relating to the OXCART camera and film, but need not be acquainted with other aspects of the Project.

2. We have discussed this requirement with  and are forwarding as an attachment a briefing format to be used by the appropriate supervisors in NPIC when the need for such exists. Personnel in this category should not be told anything concerning vehicle performance or any operational details. A condition precedent for this briefing is the possession of a "T" clearance, and it is recommended that, to the extent feasible, the recipient of the briefing be given the impression it is a new camera for the same vehicle which produced the "T" product.

3. The attached Memorandum of Understanding should be signed by the individual briefed and filed in his NPIC Security file. The form can be reproduced locally. It is also desired that, until further notice, the Security Branch of this office be kept apprised of the identity of the persons so briefed.

4. Your cooperation in rigidly limiting the number of requests for OXCART clearances is appreciated.

(Signed) Stanley W. Beerli
